SENTENCED TO REFORMATORY

By Blair For Shooting With
Intent To Kill

NO LENIENCY FOR WORLEY

But Calkins, Found Guilty of Embezzlement, Fares Differently, Receiving a Suspended Work-House Sentence—Worley Will Probably Appeal

Harry B. Worley was on Monday morning sentenced by Judge Park B. Blair to an indeterminate stay in the state reformatory at Mansfield.

Worley was recently found guilty by the jury of shooting with intent to kill. The original affidavit in the case was made by Bert Claggett in mayor's court. Worley waived examination, was indicted by the grand jury and, after several postponements, was finally found guilty.

Judge Blair's sentence was absolute and he gave Worley to understand that no mercy could be expected at his hands. Worley's attorney will probably take an appeal.

In the State of Ohio vs. E. H. Calkins, the White sewing machine agent who was found guilty recently of embezzlement, Judge Blair imposed a work-house sentence, but suspended the same.

Calkins alleged that he worked for the company and did not receive full compensation for his services and, after making vain efforts to procure money due him, finally took some of the funds which came into his hands as agent, feeling that it was owed him by the company.

This case was particularly pitiable in view of the fact that Calkins is married and has several small children in his family. The sentence was indeterminate and the suspension exhibited the leniency of Judge Blair.

PARENTS

Knew Nothing of Child's Decision to
Call On Uncle—Lost Girl Found
in Tow of Lad Who Was
Bringing Her Home

Inexperienced in traveling and of a tender age, Lydia, the three-year-old daughter of Mr. and Mrs. George Gallagher of North Sandusky street, created a great deal of excitement Sunday afternoon when she decided to make a call on her uncle, Harry Sevens, who lives on Chester street.

Lydia started without making her destination known at home and then lost her bearings. As soon as she was missed, her anxious parents began making inquiries and, failing to find her, enlisted the neighbors in the search. The police were called to help in the hunt for the girl and about half an hour after her disappearance, Lydia was found on Spearman's hill by the uncle whom she had started to visit.

When found she had been discovered by a little boy of the neighborhood, who was bringing her home. The little fellow said that he didn't know what the child's name was, but that he knew she belonged on Sandusky street and he intended to go with her until he found her parents.

***There will be a meeting of the Howard Equity Union at the I. O. O. F. hall in Howard on Wednesday evening, June 21. Business of importance.

DEGREES ARE CONFERRED

On Fifteen Undergraduates At
Kenyon Commencement

While Honorary Recognitions
Are Given Famous Men

\$116,000 Is Turned Over To
College By Mather

Quarter Million Endowment
Aim Of Special Committee

Certificates Granted; Faculty
Changes—Other News
Of Hill

Gambier, June 19—With full academic ceremonies, fifteen men were formally graduated at Rosse Hall this morning from Kenyon college on the occasion of the eighty-eighth annual commencement of the institution.

In addition, the honorary degree of doctor of laws was conferred upon three men of wide note, one of whom formerly attended Kenyon. These were Hon. Oscar William Newman, class of '88, justice of the supreme court of Ohio, Dr. Charles Horace Mayo of Rochester, Minn., world-famed surgeon, and Lindley Miller Garrison of New York City, former secretary of war.

Certificates of graduation from Bexley Theological Seminary were awarded Franklin Edgar Hauck, '13 A. B., with Hebrew, and Donald Wonders, '13 Ph. B., without Hebrew, the latter also being the recipient of the degree.

APPRECIATION OF PRESIDENT PEIRCE

Resolutions of appreciation of the signal services rendered Kenyon college by its president, Dr. William Foster Peirce, who has rounded out a twenty year period as head of the institution, were read at the commencement exercises by the Right Rev. Boyd Vincent, the same having been passed by the trustees at their annual meeting.

Dr. Peirce came to Kenyon in the fall of 1895 as the youngest college president in the country. His work of two decades has built an eternal monument for him of achievement and has left a warm and enthusiastic spot in the hearts of all Kenyon men who have been under his guidance, both scholastically and morally, during this period.

of master of arts from Kenyon college, presenting as his thesis, "A Literary Background of the English Reformation." The degree of bachelor of divinity was conferred upon William John Barrett, '99, A. B.

Invocation was pronounced by the Right Rev. Theodore Irving Reese, D. D., bishop-coadjutor of southern Ohio, following which the class address was delivered by Joseph Stafford Trottmann of Milwaukee, Wisconsin, William Budd Baine, Jr., A. B., '99, of Philadelphia, Pa., son of a former president of Kenyon college, was alumni orator. Both addresses were preeminently pleasing and evoked much favorable comment.

The members of the graduating class of 1916 of Kenyon college were then presented for degrees. These were bestowed as follows:

Bachelor of Arts—Harvey Hay Benson, third honor man, Charles Edwin Kinder and Joseph Stafford Trottmann, first honor man.

Bachelor of Philosophy—Hermann Deltrich Albright, Rex Jonathan Ballard, Ralph Emerson Morton, fifth honor man, and Gowan Clarence Williams.

Bachelor of Science—Edson W. Parker, first honor man, Porter Brock Hall, Donald Ruhl Smith and Barnard Howard Steinfeld, fourth honor man.

Bachelor of Letters—Robert Andrew Bowman, Birch Leighton Brown, Arthur Sidney King and Nathaniel Rue High Moor.

Trottmann and Parker were both awarded first honors because no differ-

ence existed in their scholastic averages.

The balance of the degrees were then conferred and Dr. William Foster Peirce made the annual announcements of the college.

The retirement of Prof. R. S. Devol from the chair of history with the rank of emeritus professor, together with his continuation as treasurer of the institution was made known. Prof. Devol's ill health for the past several months necessitated this action. To fill this vacancy, Prof. Cahall, now of the Edwin M. Stanton chair of economics, will become history professor, while a new instructor, Prof. W. M. Hudson of Clark college, Mass., will be added to the faculty roll as incumbent of the chair of economics. To succeed Dr. John S. Harrison as assistant professor of English, there will come to Gambier Prof. G. L. Lockert of Princeton, N. J., a man of splendid attainments. An enlargement of the scope of the English department is contemplated.

Samuel Mather of Cleveland, perennial donor to Kenyon of various funds, has capitalized a fund of \$116,000, it was announced, and has turned the same over to the institution. This generous act on the part of Mr. Mather only established him the more firmly in the hearts of those who are interested in Kenyon.

The past year, Dr. Peirce further announced, has seen the raising of \$6,000 toward the Bexley building fund and the balance will be taken care of by those in charge of the work.

The securing of a one-quarter million endowment fund will, Dr. Peirce stated, be the aim of a committee of seven, appointed by the board of trustees of the institution. This fund will be used for general purposes of Kenyon college.

Under the new constitution, the Right Rev. Theodore Irving Reese of southern Ohio and William G. Mather of Cleveland have been elected trustees of the college.

President Peirce called attention to the fact that the college commons fee would be raised \$5, starting with the first semester of the next college year, which will make the total fee \$15, plus \$3.50 a week in board.

From henceforth, athletic and collegian fees will be made requisite, except when the student is personally excused by the president.

This concluded the announcements and, following benediction by the Right Rev. Boyd Vincent of southern Ohio, the commencement ceremonies ended. A feature was the singing of the college choir.

THREE ORDAINED

To The Diaconate Of The Protestant
Episcopal Church Sunday
Morning

The Holy Communion was celebrated in the Church of the Holy Spirit, Gambier, Sunday morning at 7:30 o'clock. At 10:30 o'clock, ordination services were conducted by the bishop of Ohio, the Right Rev. William A. Leonard of Cleveland.

William John Barrett, Franklin Edgar Hauck and Donald Wonders were ordained deacons of the Episcopal church with the usual formal proceedings. The Kenyon college choir rendered appropriate selections during the services.

MT. VERNON BOY.

One Of Honor Men Of Kenyon's 1916
Class—Ralph Morton Distinguished Himself

By his selection as fifth honor man of the class of 1916 which also makes him eligible for initiation into the Phi Beta Kappa society, Ralph Emerson Morton of Mt. Vernon has attained high scholastic honors in Kenyon college.

Mr. Morton's accomplishments will be all the more appreciated when the fact that he is graduating in three, instead of four years, is taken into consideration.

CAMPUS NIGHT

Heralds A New Epoch In Entertainment
On The First Night of
Kenyon Commencement

Amid a shower of fireworks, illuminated by red fire and headed by the

Snow band of Mt. Vernon which rendered martial and inspiring selections, a parade of classes of all dates of Kenyon college up and down the Middle Path Saturday night served as an effective preliminary for a vaudeville program of high merit given later in Rosse Hall.

The class of 1896, back for its twentieth reunion and garbed in pierrot costume, was prominently featured in the big parade which was witnessed by scores of commencement visitors and town folks. Class songs were sung by the marching men, class yells were given, in addition to many of the stirring songs of the college itself. The parade was an instantaneous hit and its continuance was decided on immediately.

The vaudeville program was to have been given out-of-doors on a platform especially constructed in front of Ascension Hall, but owing to the inclement weather, it was necessary to stage it in Rosse Hall.

A novel introduction to the program came when members of the senior class, appearing on the stage in street costume, discussed the abandonment of the time-honored senior class play and resolved that something must be given in its stead to entertain the commencement visitors. A quartet was first introduced and was followed by numerous skits, produced and acted by Kenyon men, as well as several other musical selections. The balance of the evening was devoted to dancing.

MORAL COURAGE

Theme Of Baccalaureate Sermon By
President Peirce Sunday Night

Before a congregation which literally packed the Church of the Holy Spirit, President William F. Peirce delivered the annual baccalaureate sermon Sunday night to members of the Kenyon graduating class.

Referring to the position occupied by the United States in the present war tangle, Dr. Peirce spoke of neutrality in its broad sense, the type which this country has maintained in its present relations. He mentioned also another neutrality—that born of cowardice.

Application was made of this to the problems which confront the undergraduate of today. The necessity for moral courage was again and again emphasized by President Peirce who decried a neutrality of cowardice in facing the moral issues of student life.

Following the stirring sermon, college singing was held in front of the Ascension Hall where a platform had been constructed. This, one of the most enjoyable features of commencement week, was unusually pleasurable Sunday night in view of the large body of undergraduates and enthusiastic alumni on the Hill.

ALUMNI LUNCHEON

With Earl D. Babst, '94, president of the American Sugar Refining Co., as toastmaster, the annual luncheon of alumni of Kenyon was held Monday afternoon in Rosse Hall, following the commencement exercises of the morning.

SILVERWARE

Stolen Some Time Ago Sold at Second
Hand Store—Alleged Thief
Taken Into Custody

Floyd Williamson was arrested Monday noon by Officer Taylor on a charge of petit larceny brought before Mayor Mitchell by Bertha Collins of East Ohio avenue.

It is charged that Williamson took about \$12 worth of silverware from Miss Collins' trunk several weeks ago and recently disposed of it at a second-hand store.

Williamson was placed in the city lock-up pending a hearing.

POLITICAL ANNOUNCEMENTS

John F. Kramer of Mansfield, Richland county, Ohio, hereby announces to the voters of this congressional district that he is a candidate for the Democratic nomination for congressman. Your consideration of his candidacy will be appreciated by him.

Spray the Potato Vines with Arsenate of Lead!

Arsenate of Lead will stick better to the leaves—it's white, too. You can see just how well the plants have been covered. And it's deadly poison. You can keep the bugs away with Arsenate of Lead. If you'll try it, you'll never use another ounce of Paris Green.

MYSTERY

Surrounds Automobile Accident on
Newark Road Saturday Afternoon

GREER KEEPS STRICT SILENCE

Refusing to Narrate Particulars of
How His Machine Turned Turtle
—Sustained a Number of
Injuries and Is Resting
At Hospital

Absolute refusal to state how his automobile turned turtle on the Newark road Saturday afternoon which resulted in a number of injuries to him, makes more or less of a mystery of the attitude of James B. Greer of Greer who rests at the Mt. Vernon hospital recovering from his experience.

The accident occurred about four o'clock in the afternoon and there was nobody in the vicinity of the Newark-Martinsburg road forks who seemed to know much about the upset, save that Greer was pinned under his machine when found in what appeared a serious condition.

His plight was discovered by an automobile party driving south, who turned the man over to Frederick B. Dechant of Richmond, Ind., who was

driving through for the Kenyon college commencement. Dechant placed the injured man in his automobile and took him to the office of a local physician whence he was later removed to the hospital.

An examination disclosed that Greer had his left shoulder blade broken, his collarbone and several ribs fractured, as well as numerous cuts about the head and face. It was at first thought that the man's left lung was punctured, but this was

later found not to be the case. He was resting easily Monday and will recover.

From the outset, Greer refused to tell the details of the accident. His stories conflicted in that he once stated he was going to Columbus and again that he was returning from Columbus. He refused to explain the presence of the household goods in his machine.

COMMITTEE: John Cunningham, Austin Carpenter, Herbert Leedy.

DELCO-LIGHT

"ELECTRICITY FOR EVERY FARM"

Electric Light For Farm, Village and Suburban Homes

DELCO - LIGHT

Manufactured by the same
Company that has made
Delco Starting, Lighting
and Ignition Equipment for
Automobiles, the standard
of the world.

Delco-Light is a complete electric plant—Gas engine and dynamo for generating the current combined in one compact unit. It will furnish 40 to 50 lights for the house and barn and will light the average home at a cost of about 5 cents a day. It will also provide power for small machines such as churn, cream separator, pump, washing machine, vacuum cleaner, sewing machine, etc.

Delco-Light is so simple that anyone can operate it. Starts itself on the turning of a switch and stops automatically when batteries are full. Shockless and practically trouble proof. Price \$250—less 5% for cash.
